Princeton, NJ 08040

Dear Sara,

On behalf of the children, families, staff and board of Tabor Children's Services, thank you for participating in Tabor's 2009 Holiday Food & Gift Program.

Even in these challenging times, we felt blessed that the community came forward to brighten the holiday season for our children and families. We send our heartfelt thanks to you and everyone from G.R. Murray Insurance for the extraordinarily generous contribution of gifts for eight children. Your kindness brought joy and smiles to these children this holiday season.

All of us at Tabor Children's Services send you our best wishes for the New Year and our deep appreciation for your support of the Tabor mission to keep children safe, strengthen families and promote independence.

With warmest regards,

Ariana Burrows
Chief Development Officer
